ParaGENIE Stool DNA Extraction Kit
ParaGENIE G-Amoeba Real-Time PCR Kit

AutoMag One : Automated DNA Extraction

ParaGENIE Stool DNA Extraction Kit

- **Efficient extraction:** advanced chemistry combined with small magnetic particles provide more binding capacity
- **High quality DNA:** advanced chemistry combined with smooth magnetic particles provide ultra-pure DNA
- **Extraction procedure :** protocols available for manual and automated extraction (AutoMag Solution)

ParaGENIE G-Amoeba Real-Time PCR Kit

- **Simultaneous detection of Giardia, Entamoebae Histolytica, Entamoebae Dispar & Moshkovski**
- **One tube multiplex PCR**
- **Kits supplied with Internal and Postive Controls**

Automated DNA Extraction

AUTOMAG ONE

- **Flexible design : 1-8 samples**
- **Simple procedure guaranteed by touch button operation**
- **Pre-programmed protocols**
- **Ready to use reagents**
